Arvid's Article

Usually I am too busy flushing out the articles of event promotion and event wrap-up to have any space for an article on the side of the page as I started out 25 editions ago. Following so close on the holiday, others haven't gotten up to speed on what they want to say yet, so here are some of my thoughts.

If you missed the December 10th Christmas Traditions/Luciadagen you really missed a great opportunity to share with fellow Swedes and have a great time. Margaret St. Clair and company really did a fabulous job-see her article on page 2.

I am really proud that we have a new Editor coming on after the election. Laura Millikan has agreed to take over after the election and a short transition. I've enjoyed most of the effort to meet people and get articles but I do understand the "deadline" real reporters complain about.

I also want to thank you ALL for helping us become more electronic just in time for the postal increases. 4 years ago we were all paper and stamps, now over 60 % read the newsletter electronically. A little extra thanks is due John Stavinoha and Erich Wolz for their help in going electronic with the emails and website. Hopefully more of you will tell us that you no longer need the black & white paper.

Since I try to read anything I can find in English about Sweden I've learned a lot more about my fathers homeland. Most recently though, I have been concerned with the outrageous Swedes who forget how many of us "SWEXANS*" are on this side and that they need something more than themselves to believe in. The antiwar comments becoming anti-American comments and the purposely antichristian designs trouble me. Maybe you saw the picture of the new jean label in the Chronicle. That would have been bad enough but his comment was that he "insists his graphic designs have a purpose beyond selling denim: to make young people question Christianity..." *Continued on page 6.*

Recap: Christmas Traditions and Luciadagen 2005 and TACK SÅ MYCKET

A great time was had by all at our 18th annual Christmas Traditions and Lucia Celebration held on Saturday, December 10th at St. Andrew Lutheran Church on the west side of Houston. Approximately 236 guests attended the event which included a service in the sanctuary with our 2005 Lucia, Maren Stavinoha and her attendants and starboys in procession. Afterwards everyone adjourned to the gym for traditional Swedish refreshments, singing, dancing and more. See Pictures Pages 3&4.

Introducing Board Member Ingrid Philipson in Her Own Words

I was born and raised in Mexico City. My dad, Lennart Philipson, was born in Stockholm. He studied Hotel and Restaurant Management in Lausanne, Switzerland. When he graduated, he was told there were a lot of opportunities in Mexico City. In Mexico City he got an initial job as a Chef. My mom (Sara Morales) used to work for a Swedish company and through friends they were introduced. Then they married. My dad worked as a General Manager at the University Club for about 16 years, until he opened his own Numismatic -Coin store, where he buys-and sells coins for about 25 year; now.

I am the youngest of three kids. As a kid, our dad would always tell us about life in Sweden: our cousins, uncles, aunts, and our grandparents. I always felt connected to Sweden; it was like I belonged there. ... As kids, each one of us took turns traveling to Sweden in the summer and meeting the family. I especially loved the nature, the sailing, the archipelagos, the kraft skiva, the singing, and mostly the people who are simply real and natural. One of the summers which I enjoyed the most was the one when I got to participate with the "Tall Ship Race". We sailed for two weeks from Stockholm down to Bornholm in Denmark. The sail boat was an ice carrier and got refurbished by funds left by my great grand father for the purpose of keeping youngsters out of trouble during the summers. If any of you are interested in sailing a tall ship in Sweden, please let me know so that I can provide you with all the details.

After all the exposure to the restaurant business, (working half summers in restaurants since I was 12 years old) I decided to follow my dad's steps and study Hotel and Restaurant Management. During my last year in high school, I studied Swedish for six months, I packed up all my belongings and off I went to Sweden. I lived in Skokloster (close to Uppsala) with the

Wretner's, family friends. The Wretner family owns the "Wardshus" Hotel / Conference center in Skokloster. There, I worked in the kitchen, learning how to prepare all the Smorgasbord.

I traveled through Europe with my brother Edvard. During our visit to Lausanne, Switzerland ""Escolc Hotelier"- Hotel School, we learned that the waiting list was three years long.

My dad recommended the Hilton Hotel and Restaurant Management School in Houston, where I was accepted in fall of 1986. I graduated from the Hotel and Restaurant Management School in Houston with a minor in Accounting in 1990. I had the opportunity to work with the Houston Country Club, The Ritz Carlton, Cafe Express, McCormick and Schmick's Seafood Restaurant and finally as "Food Service Director" with the Hampton at Post Oak, a Retirement Community.

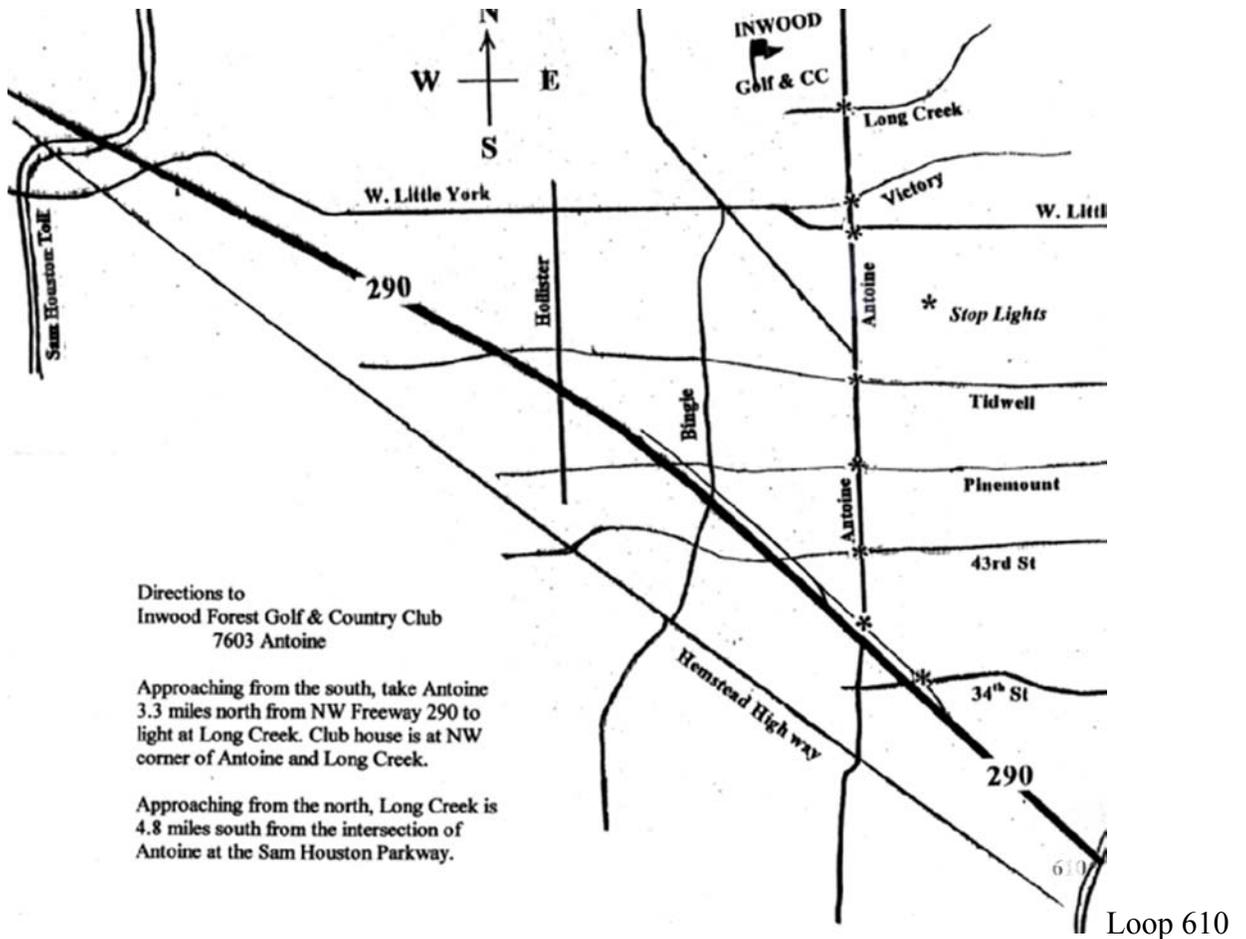

I decided to change my career to Real Estate, when I was married to my former souse. I managed about 30 family owned properties in Houston. We owner financed most of them. During that time, I also managed a family owned law firm. We purchased a building and I took care of the architectural design and management aspects of it. In 1999 I got my Real Estate license with Keller Williams Realty. I am now passionate about helping families buy and sell homes.

I have two children, Annett (7) and Daniel (9). They attend a Montessori school here in Houston. They are involved in the music program at Rice University, playing piano, Tae Kwon Do, ballet, choir singing, Cub Scouts and Spanish lessons. I am looking forward to finding a Swedish teacher for them; so they can soon learn Swedish and they can start spending their summers in Sweden with all their cousins.

Some of my interests are yoga, sailing, dancing, singing along, playing piano, playing tennis, swimming, cooking, dining out, fine arts, arts and crafts, meditating, being outdoors, camping, traveling, giving and getting massages; simply having a great life! I currently continue my education with the Art of Living Foundation www.artofliving.org, The Landmark Education <http://www.landmarkeducation.com/>, and I teach Sunday school at Unity church.

I enjoy meeting Swedes especially those with a Latin touch! yourdreamhomewithingrid@yahoo.com

The Chronicle further describes Sweden as "a secular country that cherishes its free speech and where churchgoing has been declining for decades." You can see the whole article at
