Smörgåsbord 2006

Celebrating 20 Years of SCH

Saturday, October 28th

6:30 p.m.

BraeBurn Country Club

8101 Bissonnet Street, Houston, TX 77074

Miriam-Webster Online defines *smörgåsbord* as a “buffet offering a variety of foods and dishes (as hors d'oeuvres, hot and cold meats, smoked and pickled fish, cheeses, salads, and relishes),” and that’s exactly what you are invited to experience on Saturday evening, October 28th, at BraeBurn Country Club (see map on page 11), as we celebrate the 20th anniversary of The Swedish Club of Houston.

According to Britannica.com, *smörgåsbord* began in the country districts of Sweden. The foods were set out on long tables from which the diners helped themselves. By the 18th century, festive meals were preceded by appetizers from a *brännvinsbord*, offering aquavit, herring, and other delicacies. The Operakällaren restaurant in Stockholm is credited with reestablishing and perfecting the *smörgåsbord* after World War II.

In keeping with tradition, the **menu** for our SCH *smörgåsbord* will include:

- Swedish breads and cheeses
- Selection of herring
- Smoked salmon
- Gravad lax with sauce
- Swedish meatballs with cream sauce
- Swedish ham
- Deviled eggs
- Garden salad with Italian dressing
- Jansson’s Temptation
- Boiled new potatoes
- Pickled cucumber slices
- Swedish mustard

- Lingonberry jelly
- Blueberry cobbler with vanilla sauce
- Ice cream
- Lingonberry drink
- Iced tea and Coffee

There will also be a **cash bar** (including snaps).

Also at the event, raffle tickets will be sold for a hand-built model Viking ship, with the drawing to be held during the evening. (See picture and story on page 2.)

Price: Club members (pre-registered) = \$25
Non-members and at the door = \$30
Children (12 and under) = \$10

Make **reservations** *online* on the SCH website (www.swedishclub.org); *by mail* using the form on page 11 (must be received by Wednesday, October 25th for advance price); or *by phone* to Laura Millikan (281-412-9377) by Monday, October 23rd. **Please note:** Reservations are not confirmed until the check is received.

**President's
Column**
by Margaret St.Clair

Welcome to the fall season of The Swedish Club! I know that technically it is still summer, but the kids are back in school

and that makes it fall! I hope everyone had wonderful holidays—whether you stayed in Texas or traveled to Sweden or went to places in-between.

One of those fortunate individuals who went to Sweden was our 2005 Lucia, Maren Stavinoha. Accompanied by her parents, John and Edie, and brother James, she had a fantastic experience in Barkeryd, Småland, representing the club at Barkeryd's Texas festival. I hope all of you will read her story on page 4.

This brings me to my next point—the club is now accepting applications for Lucia 2006. (See page 7 for information and the application form.) If you know someone who meets the requirements to be a Lucia, please encourage her to apply. Lucia's trip to Sweden is a very special one, and it is something that will be remembered forever.

Kicking off the club's fall activities will be our annual Smörgåsbord on October 28th. It will take place at the same location as last year—the BraeBurn Country Club, 8101 Bissonnet. The folks there did a fine job for us last year, and so we return. I hope you can join us for an evening of fine Swedish food, music, dancing, singing and skål-ing. Also our new Lucia for 2006 will be introduced.

Before I close, I would be remiss if I didn't mention that The Swedish Club of Houston is celebrating its 20th anniversary this year. It has been 20 years of friendships, entertainment, education, work, fun, fellowship and much more. At the Smörgåsbord, we plan to recognize those members who were instrumental in starting our club and getting it off the ground. It should be a very special evening. Hope to see all of you at BraeBurn on October 28th!!

Margaret

**Viking Ship to be raffled off
at Smörgåsbord, October 28th**

"The Norsemen"

Be sure to bring plenty of dollar bills with you to the Smörgåsbord on Saturday, October 28th. Kenneth Nilsson, Swedish Club Treasurer, has made available to the club a hand-built Viking ship, "The Norsemen," to be raffled off during the evening.

The ship was built by Robert "Bob" Chambers of Bob's Limited Edition, Houston, Texas. (See contact information below.) Chambers is a native Texan who became interested in art at a very young age. Over the years, his work has evolved into crafts, with a specialty in boats. Chambers' boat reproductions include an ancient Hawaiian boat called "The Hokoulea," Arabian dhows, Chinese junks and sampans, shrimp boats and others.

Chambers enjoys researching his subjects and painstakingly building them without kits or models. All of his boats have a custom-fitted stand, and no two are ever alike.

Thank you, Ken, for your generosity in sharing this piece of art with us and for making it available as a fund-raiser for the club!

Are You a Founding Member Of the Swedish Club???

Or, to put it another way—does your membership with the club “go way back”??? If so, we have a favor to ask. As noted in the President’s Column, plans are underway to commemorate the club’s 20th anniversary at the Smörgåsbord on October 28th.

We would like to have a display of photographs, newsletters, anecdotes and/or artifacts relating to the early times of The Swedish Club of Houston. In addition, it would be great if YOU could be there, too, so that we can acknowledge you and your involvement in the club. So bring yourself and any commemoratives you wish to display to the BraeBurn Country Club on Saturday evening, October 28th.

Please contact Gunhild Jansson at 713-334-5767 or Margaret St.Clair at 281-493-4978, or e-mail us: gunhildj@sbcglobal.net and margestclair@hotmail.com and indicate what you will be bringing. We would like to have some idea how many items will be displayed.

My Trip to Barkeryd

by Maren Stavinoha

Early Saturday morning, southbound on E4 through the heart of Sweden. I look up to see a trio of Swedish fighter jets on display. An odd show of force in this peaceable kingdom. "This is your hometown," my father blurts over his shoulder from the front passenger seat. Linköping, also hometown to Saab's Tactical Aircraft division, was not even a memory to me as we moved back to the States when I was 2 months old. We had spent the night in Tyresö just outside of Stockholm. Håkan Svensson, my father's friend from university days in Lund, was driving us down to Barkeryd Parish in Småland for my Texas Lucia program.

We arrived at the church and met Inga Lisa and Gusten Calissendorff with our local host family Pelle and Anita Johansson. They were all very kind people who welcomed us warmly. We unloaded our luggage into Pelle's big American van, and stretched our legs. A tour of the church and graveyard followed, with interesting points connecting this little hamlet in Småland with early settlers in Central Texas. The church was beautiful, and we were told a wonderful story

about a young girl whose candlesticks still live in the church today. We got to see a nice organ that was donated by Sven Magnus Svensson.

Sven Magnus Svensson, one of the men whose grave we saw, left Sweden as a young man and immigrated to America in the hope of making a better life for himself. He started making big ranches in Texas, and offered settlers in Sweden a free move to America in exchange for one year of work. About 900 Barkeryd residents and 10,000 people from nearby communities took him up on his offer and came to Texas.

After a light lunch, we went to the "hembygdsföreningen" or homestead museum. The museum and surrounding buildings were enclosed by a traditional Småland wooden fence. It was very interesting to see the traditional farming equipment and textiles that the settlers used back then. We were also able to see a red, white, and blue room dedicated to Texas. It discussed everything relating to immigration to Texas, as well as information about the Lucia program. I saw letters from Swedish immigrants discussing difficult traveling conditions, and how they were living once they arrived. There were even pictures of all eighteen Lucias, including myself!

Anita and Pelle had prepared a wonderful dinner for us later that evening. It was delicious, and my family and I were very grateful. Later, I got to practice my speech for Inga Lisa. I recited it, and to my relief and surprise, she said that I did great; I just needed to make sure that I went a little slower the next day in front of all the fluent speakers. The next morning, we had a really nice and delicious brunch at Alf Carlsson's house. Then it was off to the festival.

The parade was really fun and exciting for me. There were people dressed in traditional Swedish dress, folk costumes, a marvelous band, a choir, and horse-drawn carriages. The band played as the parade made its way down the road into the festival. Inga Lisa and I were led in on a horse-drawn

carriage waving Texas flags. The festival featured several local artists selling their homemade handicrafts. Beautiful quilts and wooden crafts were everywhere. There was coffee, homemade candy, and pastries galore! Many locals were dressed in traditional Swedish dress, while others, including my family, sported Texan dress. It was soon time for my speech, and Inga Lisa introduced my family and I to the crowd. The speech went well, and afterwards I was grateful to receive a replica of the candlestick from the Barkeryd church. It is beautiful, and sits in my room to this day.

After the speech, my family and I had to rush back to the train station to catch the train back to Copenhagen, where our flight back to Texas left from the next morning. I had a wonderful time representing the Swedish Club of Houston in Barkeryd this summer. I want to thank everyone involved, including Inga Lisa and Gusten Calissendorff, Anita and Pelle Johansson, Alf Karlsson, the Swedish Club of Houston, Scandinavian Airlines, Margaret St.Clair and the people of Barkeryd. Each of you made my experience a much better one because of all your hard work and appreciation. Thank you again for everything!

2006 SWEDISH CLUB LUCIA

Applications for the Swedish Club of Houston's 2006 Lucia are now being accepted. Our 2006 Lucia will be presented at the annual Swedish Christmas Traditions and Lucia Procession scheduled for Saturday, December 9, 2006, 4:00-6:30 p.m., at Christ the King Lutheran Church near Rice Village. This is particularly appropriate, as the church was founded by predominantly Swedish-Americans and was the second church in Houston begun by the Swedish Lutheran Church in America.

Candidates for Lucia must be single young women between the ages of 16 and 24, who are members of the club (either individual or as part of a family membership, including granddaughters). They must be able to attend the Swedish Traditions program on December 9, and also must be able to represent the Club at the Texas Day Celebration and parade in Barkeryd, Sweden, on the first weekend of August 2007. Round-trip airfare for our 2006 Lucia will be provided from Chicago to Sweden, but the Lucia is responsible for her own ground or air transportation to and from Chicago. On her return to Houston, the Lucia must write an article for publication in The Swedish Club News about her experience in Sweden.

Participants are also needed for the Lucia procession, which is made up of female attendants, ages 5-20, and star boys, ages 5-15. Attendants and star boys wear all-white clothing and accessories. The Club can provide some articles of clothing, but individuals are encouraged to use their own.

For nineteen years, the Lucia program has provided a wonderful way to travel and learn about our Swedish ancestry and our Texas connection with Barkeryd, Sweden. As an ambassador of the Club, our Lucia will be in a parade and send greetings to the people of Barkeryd from The Swedish Club of Houston.

NOTE: Lucia candidates, in addition to completing the application below, must also write a short *essay* about their Swedish heritage, their interests and why they would like to represent the Club in Sweden, and must provide a *current photo* of themselves. The application must be postmarked by **September 26, 2006**.

For questions or further information, call Nancy Webb (713-661-1011) or Diana Rodionov (281-636-8153), co-chairs of the 2006 Lucia program.

Swede's Restaurant and Catering

A Restaurant Review by Diana Rodionov

While I was in San Antonio for six weeks this summer, I would go to the best restaurant in town at least once a week for lunch: Swede's Restaurant and Catering, 6989 Blanco Road, just south of Loop 410, (210) 340-1980. The owner and chef's grandparents were immigrants from Sweden. Carl Stolhandske graduated from the Culinary School in Boxholm, Sweden.

The excellent food is mostly not Swedish, but the restaurant has 100% Swedish decor. Besides the regular menu, there is a selection of daily specials.

The restaurant is open Monday-Friday for lunch (11:00 a.m.-2:30 p.m.), and on Thursday evening (6:00 p.m.-9:00 p.m.), supper is served, with more elegant meals. During December, each Tuesday and Thursday Swedish food is offered on the menu.

Next time you are in San Antonio at lunchtime, try Swede's for a great meal in a Swedish atmosphere.

Exciting Things are Happening in Old "New Sweden" . . .

News from Aleasa Hogate

Plans are underway to relocate The New Sweden Centre, a museum on early colonial history, with an emphasis on Life in New Sweden Colony. It will include a "Please touch" area, and our newly released video production will be available for viewing and purchase.

The museum will be housed in the old carving shop of the Kalmar Nyckel Shipyard in Wilmington, Delaware, near the place where the Swedes landed, the Carl Milles Monument and the home port of the Kalmar Nyckel ship. This is a mutual effort. Kalmar Nyckel Foundation Senior Sawyers, volunteer carpenters, are remodeling the room. As Education Director and VP of New Sweden Centre, my job is to coordinate and set up exhibits in the museum. Work has just begun. Opening date is dependent upon the completion of renovations.

Hopefully some of you Texas Swedes will come visit the Rocks in Wilmington, where our Swedish ancestors landed. You can take a trip on the Kalmar Nyckel, a working replica of the ship that brought our ancestors to the new world. Although the first journey was made in 1638, only soldiers and sailors were aboard. It was not until 1640, after Fort Christina was built on the Christina River, that settlers began arriving.

Relocating the museum in close proximity to Delaware's tall ship, a popular tourist attraction, will serve to encourage more people to visit and learn about our New Sweden history and provide something of interest for guests who miss seeing the ship, if she is off sailing when they visit.
